**Last Date of Registration: 12th July, 2023**

**Network for Certification and Conservation of Forests**

# ABOUT US

The Network for Certification and Conservation of Forests, is a registered society of experts, professionals, and stakeholders of natural resources, engaged in the development of India-specific and globally benchmarked sustainability standards, as its core working area, apart from working for policy advocacy, training, and capacity building through multi-stakeholder engagement.

NCCF is a member of the Programme for the Endorsement of Forest Certification (PEFC) Alliance from India, a member of the International Union for Conservation of Nature (IUCN), Global Sustainable Tourism Council (GSTC), and the Global Evergreening Alliance (GEA) and has got Observer Status with the UNCCD and UNFCCC as a Civil Society Organization (CSO).

The training will provide an introduction to the NCCF Ecotourism Standard and Certification Scheme, including the auditing principle focused on destination management and certification body requirements.

The training will be based on interaction, practical examples, open question-and-answer sessions, and dedicated group work.

Note 1: Prior to training, participants are expected to read the NCCF Ecotourism Standard and Certification Scheme document version (NCCF-STD-ET-0.1/2022 15 December 2022).

Note 2: Trainees will be required to complete an online Knowledge Test after completion of the training.
