closes on 14th July, 2023**

**Last Date of Registration:  
21st July, 2023**

# Trainers from PEFC Pool of Experts:

- Ms. Linda Matole  
Technical Officer, PEFC International
  - Ms. Lise Favre  
Technical Officer, PEFC International
- 

## The Details

The training will provide an introduction to the revised 2020 PEFC Chain of Custody standard, focusing on the changes to the input-output process, the PEFC Due Diligence System (DDS), the chain of custody methods and multi-site certification. It will also cover changes to the 2020 PEFC Trademarks standard and 2020 Certification Body Requirements standard.

## The Prerequisites for Initial Training

Before the training, participants are expected to read the 2020 versions of the PEFC standards, along with the summary of changes.

## Agenda

### Day 1:

- Welcome and Introduction
- Detailed Requirements under PEFC Chain of Custody of Forest and Tree Based Products (PEFC ST 2002)
- PEFC Trademarks Rules – Requirements (PEFC ST 2001)

### Day 2:

- Recap of Day 1
- Requirements for CBs operating against PEFC Chain of Custody (PEFC ST 2003)

## Knowledge Test

Trainees will be required to complete an online knowledge test after completion of the training.
